MPO COMPACT

The compact storage wonder

Product portfolio extension - MPO Compact

Overview of benefits

- Space-saving trolley dimensions allow easy handling and optimum use of space
- Expandable bar structure creates additional space for associated equipment while maintaining compact basic dimensions
- Wood-free design for outstanding hygiene standards
- One of the lightest trolleys on the market
- Standard rail can be mounted tool-free, providing flexible use of associated equipment and modular expansion options

MPO Compact variants and options

As standard, front panels are traffic white and drawer handles are white aluminium.

MPO Compact versus MPO Standard

MPO Standard 1 ISO

Measurements:

Width: 780 mm

Deep: 585 mm

**MPO Compact -
Semi-ISO trolley**

Measurements:

Width: 507 mm

Deep: 514 mm

**MPO Compact Plus -
special purpose trolley**

Measurements

Width: 590 mm

Deep: 514 mm

**MPO Compact –
double-purpose trolley**

Measurements

Width: 730 mm

Deep: 514 mm

MPO Compact Semi-ISO trolley

Drawers for standard ISO half modules

- Equipped with drawers for ISO half modules
- Drawers mounted on telescopic rails with soft-closing
- Outside dimensions, L x W, approx. mm: 507 x 515
- Working heights, mm: 900, 1000, 1100
- Modular equipment: Standard half ISO modules and accessoires
- Castors: Ø 100 mm

A versatile range of accessories

- Bar structure 31018324
- Standard rail 31017975
- Modular equipment standard
- Handle 046465

Worktop:

- Laterally foldable
 - HPL 31018629
 - ABS 46489
- Lateral pull-out
 - HPL 31018406
 - ABS 31018431

Drawer heights:

8HU: 100mm, 10HU: 125mm, 12HU: 150mm, 20HU: 250mm

Colour range:

Locking systems:

Cylinder lock, digital lock, card lock
